Jimmy A. Zgheib, Zgheib Sayad, P.C., White Plains, NY, for Petitioner.

Benjamin Patrick Warder, U.S. Department of Justice, Washington, DC, for Respondent.

RULING ON ENTITLEMENT¹

On April 27, 2022, Janet Solorio filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a Table shoulder injury related to vaccine administration (“SIRVA”), as the result of her receipt of a tetanus-diphtheria (“Td”) vaccination on May 11, 2021. Petition at 1. Petitioner further alleges that her left shoulder symptoms have persisted for more than six months. Petition at 4. The case was assigned to the Special Processing Unit of the Office of Special Masters.

On October 27, 2023, Respondent filed his Rule 4(c) report in which he concedes that Petitioner is entitled to compensation in this case. Respondent’s Rule 4(c) Report at

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2018).

1. Specifically, Respondent states “that petitioner’s alleged injury is consistent with a SIRVA as defined by the Vaccine Injury Table. Specifically, petitioner had no history of pain, inflammation, or dysfunction in her left shoulder prior to vaccination; petitioner’s pain occurred within forty-eight hours of her receipt of an intramuscular vaccination; petitioner’s pain was limited to the shoulder in which the vaccine was administered; and no other condition or abnormality has been identified to explain petitioner’s left shoulder pain.” *Id.* at 4-5. Respondent further agrees that “petitioner suffered the residual effects of her condition for more than six months. Therefore, based on the record as it now stands, petitioner has satisfied all legal prerequisites for compensation under the Vaccine Act.” *Id.*

In view of Respondent’s position and the evidence of record, I find that Petitioner is entitled to compensation.

IT IS SO ORDERED.
